

Milestone Birthdays

We are happy to include announcements and pictures of subscribers and/or their immediate family members celebrating milestone birthdays (i.e. 16th, 21st, 50th, 80th, 90th, 100th – you get the idea!)

Fill out this form and send it to:

The Observer
Telephone: 665-0484 / Fax: 665-5582
e-mail news@ycobserver.com
409 Cedar St. / P.O. Box 98
Yankton, SD 57078

Feel free to send along or e-mail a picture of the birthday person. E-mailed pictures should be in jpeg format (the higher the resolution/file size, the better the reproduction.) Print pictures will only be returned if a SASE of the correct size is included. We **try** to print pictures at a 2-column width (4.5 inches), but due to quality or space limitations, they may not run that big.

The Observer publishes these announcements free as a service for our subscribers and their immediate families only. The information here is subject to editing for space limitations.

Name _____ Age: _____

Street address: _____ City/State/Zip _____

Birth date: _____ Born (place): _____

Open house?

Date: _____ Place _____

Check here if you DO NOT want guests to bring gifts _____
(We assume that if you are putting a notice of an open house in the newspaper, you are inviting anyone who cares to show up. We usually write something like “Family and friends are invited to...” If you want something different than this explain in ADDITIONAL COMMENTS)

Card Shower? Yes ___; No ___

(If there is no card shower or open house, we will probably just place your name in the regular Birthday Bulletin, as there is really no other information to pass along other than a name and town.)
